## Limited Warranty

### Tool Storage Products

Extreme Tools®, Inc Limited Warranties warrant our products to be free from defects in materials and workmanship from the date of original purchase for the specified period of time as outlined below:

- Limited Lifetime Warranty applies to all EX Professional Series models: EX2404SC, EX5501HC, EX5510CH, EX5511RC, EX7201HC, EX7215CH, EX7217RC, EX7612RC only.
- 5 Year Limited Warranty applies to all EX Standard Series, PWS Series, RX Series, and TX Series (excluding TXRSB-3605BK series which has a 1 Year Limited Warranty) tool storage products (chest, cabinet, side cabinet or workbench).

*Please note: TXRSB-3605BK Extreme Tools® Road Box is intended for on road use only. Product damage may occur during off-road transport and usage and is not considered to be a defect in product. Off-road usage is not covered by the 1 Year Limited Warranty and will void product warranty.*

- 90 Day Limited Warranty on all electrical components contained in or on any Extreme Tools® tool box series.

To activate your warranty, a copy of the receipt must be mailed along with the warranty card correctly filled out and returned to Extreme Tools® within 30 days of purchase. Extreme Tools® obligation to repair or replace defective parts in accordance with the terms set forth herein shall be the buyer's sole and exclusive remedy. Extreme Tools® shall not be liable for any damage for loss of the product or consequential damages of any kind. The company neither assumes nor authorizes any other person to assume for it, any other liabilities beyond the conditions set forth in this warranty, in connection with the product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

If you believe product is defective, please call Extreme Tools® at 630.369.9303 or email [sales@extremetools.net](mailto:sales@extremetools.net). We will require pictures of the defect, the model number, the serial number, the date of purchase and a description of the issue. If the product is defective, we will replace the defective part at no cost to you. Please do not ship your product back to the store, distributor, or to Extreme Tools® unless we send you written instructions for return. In the event that it becomes necessary for your product to be returned, we will notify you as to how to proceed with a return goods number (RGA). A copy of your original purchase receipt must accompany the return.

Extreme Tools® shall not be liable for, nor shall this warranty include or apply to, any loss or damage caused by or resulting from the following; (1) Use of the product in a manner other than as specified in this product manual; use of the product beyond its rated capacity or specifications; (2) Modification, alteration or repair not performed by Extreme Tools® or its authorized subcontractors or third parties approved by Extreme Tools®; (3) Floods, Fires, earthquakes, tornado, vandalism or other acts of nature, including windstorms, lightning and hail damage or any other insurable loss under standard fire and extended coverage plans; (4) Abuse, misuse, negligence handling, improper or inadequate maintenance, tampering, or accident; chemicals that can damage powder coat finish or causing rust; (5) Accessories, alterations, attachments or other devices not furnished by the company or (6) Failure of buyer to follow operating procedures or the instructions of the company, or to provide a suitable operating environment.

All customers receiving shipments of our products are responsible to inspect shipments before accepting; Extreme Tools® will not be responsible after shipment of product is accepted if product is damaged or has missing parts.

### **Warning**
